

Mission statement:

Minnesota Purebred Dog Breeders Association is a non-profit organization. Our mission is to benefit the welfare and well-being of purebred dogs and breeders, owners and potential buyers within the State of Minnesota and surrounding areas.

Our objectives and purposes:

- To protect and advance the interest of purebred dogs, through the continued improvement of conformation, soundness and temperament according to American Kennel Club (AKC) breed Standards in all breeds or other breed registries (such as the United Kennel Club, (UKC) as the Board chooses) and to foster good and direct communication between dog breeders and the buying public.
- To foster the advance of high ethical standards among breeders and the use of uniform procedures and MPDBA sales contracts in offering puppies for sale.
- To promote educational and informational exchange among breeders, and to assist them in providing the public with good and sound purebred puppies.
- To provide means of informing the public about the standards for purebred dogs, the proper care of their dogs.
- To collaborate and cooperate with various breed and all-breed clubs in the area of pursuing these objectives.
- To monitor, initiate and support the enactment of legislation for protection of dogs, their breeders and owners.
- To engage in legislative public relations and educational programs necessary to the protection of the owning, breeding and exhibiting of purebred dogs as non-commercial ventures.
- To partner with other organizations as necessary to further promote the activities of this organization.
